

Team Susan Forrest ~

Thank you so much for the fabulous knife + shears - we love the red colour! What a lovely gift - they will be well used. The Team Susan Forrest engraving on them will always remind us of the excellent service we received. Thanks to everyone on your team, Susan, our move

to our new home was seamless. We are very happy at 881 Lakes Blvd and have met many nice people there. We love our new home + neighborhood and look forward to a new + different lifestyle.

Thank you Glinda for your patience and your efforts to make our purchase happen.

Sincerely, Frank + Bev Naccarato
